

Mark 1:40-45  
Rough Translation  
(Alsup)

40) And comes toward him a leper appealing (to) him and knee-falling and saying to him (that?) "If you wish you are able (powerful?) me to cleanse." 41) And having been moved in the bowels having extended the hand (of him) him he/she/it touched and says to him, "I wish, be cleansed!" 42) And immediately (suddenly?) went away from him the leprosy and he/she/it was cleansed 43) and having sternly warned him immediately (suddenly?) he cast him out 44) and he says to him, "See to no one (nothing?) nothing you may say, but go yourself demonstrate to the priest and bear forth concerning the cleansing of you what things Moses prescribed into a witness to them!" 45) And the having gone out one (?) began to preach (proclaim?) many things and to disseminate the word with the result that no longer he was able openly into a city to go in but outside upon desert places he/she/it was; and they (?) were coming to him from everywhere.
